Lemon and salty finish.
Great length.

Sunny spring
Clement and dry Summer

September 14th-22nd

Crustaceans

2009 MILLESIME CHRONICLE

Our first harvest began on September 14th. A particularly mild summer, with only one notable rainy spell close to the harvest, resulted in our grapes to reach a beautiful maturity with an irreproachable sanitary quality! The different Pinots Noirs from Bouzy are particularly outstanding. The result is our "LIBERTÉ 2009" characterised by both exceptional power and finesse.
