

“Hidden Treasure” 2018

The story:

"Hidden Treasure is our "secret project".
It's a blend of grapes from two different countries (Hungary & Austria).
One variety is one of the world oldest and nowadays it disappeared.
Why do we have this treasure though - hidden in our vineyard?
Well, the most unique stories are told just face to face.
So lets meet at our estate for a glass of "Hidden Treasure" and an amazing story."

The taste:

Voluminous white wine; honey and pear in the nose; a hint of oak; creamy at the palate with herbal and yeasty after taste; unique, unfiltered orange wine style (3 weeks skin contact);
We recommend: Serve this wine slightly under room temperature; Decantation can be advantageous;

Variety: Heunisch & Grüner Veltliner
