

# “Mesés Vidék” (fairy tale land) Kékfrankos 2007

## The story:

Once upon a time there was an old man. He lived in a beautiful and fabulous region called Sopron. One morning he woke up for a sad thing: he lost his land overnight. The valuable soil slowly fell asleep like Sleeping Beauty. Many-many decades later the great-great grandson of the old man called Franz Pfneisl woke the valuable soil up from its dream and come it into life. This was not only the fulfilment of the old man’s dream because his successors made Kékfrankos in Sopron again like him. Franz Pfneisl can claim himself to be lucky because his daughters Birgit and Katrin know well how valuable this treasure is.
