

WHITE WINES

RULEI VIÑA BARRACALLO Renques de Chenin Barrel Fermented 2018

100% Chenin Blanc

This white wine is unique in Spain!

It comes from an old vineyard with experimental varieties. It will surprise you with respect to any other Rioja white. Limited production of less than 900 bottles.

Winemaking: Barrel fermented with its lees at a low temperature with regular batonnage.

Ageing: 6 months in new French oak barrels of 225l. Later it rests 10 months in concrete before bottling.

Tasting: Straw yellow colour, a sweet and fruity smell with an essence of ripe pear, honey and compote. Dry, intense, unctuous and with a long persistence.
