

CLÀSSIC PENEDEÈS SAUVIGNON BLANC

Varieties

100% Sauvignon Blanc

Alcohol

+/- 11.50%

Ageing

15 months aging in cellar

Nature Reserve Brut - Nature

Characteristics:

Our Clàssic Penedès follows the traditional method of vinification of the best sparkling wines. This sparkling wine is characterized for being 100% organic, 100% Penedès and 100% reserve (15-month minimum ageing on lees).

Tasting Notes:

A unique sparkling wine, made from our star varietal Sauvignon Blanc.

Pale lemon in color with no signs of development, and a lively bubble that rises softly to the surface.

A wine that opens in the glass to offer primary varietal notes coupled with lighter notes of autolytic development.

On the palate we find a creamy mousse, which is the result of the well-integrated gas, and enjoyable citric and floral notes that are persistent.

Pairing: Aperitif, starter dishes, white meats, and fruit desserts.
