PASCAL CHATONNET

World-renowned oenologist, famous wine scientist celebrated for his numerous discoveries. Winemaker and co-owner of Vignobles Chatonnet in Bordeaux, consultant to prestigious international wine estates, he offers the «Esprit de» range of wines, spirit of a place, spirit of a grape variety, spirit of a winemaker, wines of expression, simple and typical, designed for pleasure.

TERROIR

The vines are located in the communes of Saint Mathieu de Trévières near Montpellier and extend into the hinterland of the Cévennes foothills. The soils are of a clay-limestone nature and come from the scree of the slopes of the Pic Saint Loup. The climatic conditions of this particular region contribute to the specificity of this wine. Indeed, the significant temperature differences (the days are hot and the nights especially cool) facilitate and enhance the maturation process. The harmonious rainfall allows a development favourable to quality.

AGEING

12 months

1/3 used barrels
1/3 cement tank
1/3 stainless steel tank

BLEND

50% Syrah - 50% Grenache
Organic viticulture

ALCOHOL CONTENT

14%
