

# XAREL.LO

## Grape Varieties

100% xarel.lo

## Alcohol

+/- 12.50%

## Ageing

Young

## Tasting Note

**In view:** white wine with grayish and greenish tones, with a very light golden touch, which reminds us that it is a young wine.

**On the nose:** xarel.lo of fantastic aromatic complexity, its fresh aroma, indicates that it is grown in height. Aniseed notes, white flower, and white fruit at its ripening point. A real kindness on the nose.

**In the mouth:** explosion of aromas in the mouth, a very acidity embedded in the range of aromas and good structure. Very persistent once it has been tested.
